*"Thank you, Rachel, for everything you did to make the day of mom's service, reception, and celebration so memorable and smooth. And, for helping us deliver the lemon bars to her bridge group. Mom would have loved this gesture.*

*We so appreciate all you've done so far to help us."*

*- The Felton Family, Atlanta, GA*

After my own experiences with loss, I have been completely overwhelmed by all the work that comes with caring for aging and departed loved ones. I founded Black Dress Consultants to help those in the same difficult position. Our mission is to provide solutions for life's transitions and to serve as your ally for legacy planning and guide for navigating end-of-life.
